WILDE NEWSLETTER time again. This is the final Newsletter of our fiscal year that ended May 31. It would be impossible for us to accomplish any of our goals without your help. We look forward to the New Year with great expectations.

SOCIAL NOTES:

Congratulations to Bob Hobbs (Foreman) on celebrating his 25th Wedding Anniversary. Bob and Rosemary were married on June 21, 1986 in Muscotah.

Congratulations to Cody Jacobs (Straightening) on his marriage to Ashley Campbell. Cody and Ashley were married March 26 in Falls City at the Christian Church. Good Luck to the Newlyweds.

EMPLOYEE SPOTLIGHT

Marty Froeschl - President

Though born in Kansas City, Missouri I only spent the first few months of my life there before moving to Falls City. 1955 was very busy and special year as Wilde Tool moved to Hiawatha and I was born on April Fool's Day. (Note: not a good day to be born). Because of the business move north, I was neglected during my first year because everything was Wilde Tool this and new house that...and all my older brothers and sisters were making new friends.

I graduated in 1973 from Sacred Heart High School in Falls City and St. Mary's College, Winona, Minnesota in May 1977 with a Business Management degree. Moved to Omaha, worked a couple different jobs

for several months, and then transferred to Lincoln for about a year. Came to Wilde Tool in December 1978 with the intentions of working through the plant. But at that time management needed a lead-person in the plating room and I lost the opportunity to work these jobs. Early 1981 I was assigned to the Human Resource department and a year later began my career in sales and marketing.

While growing up I played all sports in the season they meant to be played. As an adult I coached the same, all the while, honing my skills as a golfer, a passion of mine. Besides golfing, my wife Gail and I enjoy watching the respective high schools, colleges and pro teams in this area, always keeping a close eye for a nearby casino and /or golf course. We never gamble big, never lose much, but go often. Golf is different, I always lose!

employees should be proud of this accomplishment. We ask all employees to follow the safety rules and to help us continue to make Wilde a safe place to work. Please take part in all safety discussions and meetings.

Vacation shut down will be from July 24 to July 30. Maintenance employees will be working during vacation shutdown. We will again have hot dogs and pop for all employees on July 21. We hope you will all join us for lunch

Employees who will be going to National Guard Summer Camp should make arrangements with the Personnel Office as soon as possible.

We have filled our CAD Tech position. We would like to welcome Quintin Meyer to Wilde's. Quintin will be training on the computer and may be getting some experience in production in the next several weeks.

We hope everyone has an enjoyable summer.
