SOCIAL NOTES :

We hope everyone enjoyed the pop and hot dog feed before vacation. We hope everyone enjoyed their vacation and time off.

Thank you for your effort this past quarter as this is generally the hottest time of the year. The Sqwencher packets seemed to be well used during the heat wave. We have used all the packets and will not reorder until next May.

Congratulation to Cody Jacobs (Straightening) on the birth of his son Noah Scott. Cody's wife Ashley gave birth to Noah on July 18 at 7:13 pm. Noah weighed 6.2 lbs and was 19.5 inches long. **Good luck to the new Parents.**

EMPLOYEE SPOTLIGHT

Phil Froeschl-
Secretary/Treasure

I was born November 28, 1957 in Kansas City, but moved to Falls City three months later when my dad came to work for Wilde. I am the oldest of four children - two brothers and a sister. I attended Sacred Heart grade school and high school in Falls City graduating from high school in 1976. In 1980 I received a BS in Business Administration from Marquette University in Milwaukee. Three months before graduation I met my wife Laurie and we were married in Waterford, Wisconsin in 1982. I worked for WisPak Foods in Butler, Wisconsin eventually rising to Quality Control Supervisor on 2nd shift. In 1986 we moved to Falls City where I started my present employment with Wilde Tool.

Laurie and I have nine children - 6 boys and 3 girls ranging in age from 5 to 28. We are going to be grandparents next month as our oldest child Michael and his wife Beth are expecting their first child. With the children, my main hobby has been attending the activities of all the kids over the years. These include baseball during the summer, football and volleyball during the fall, basketball during the winter and track in the spring. I am active in the Knights of Columbus and in our parish and school in Falls City.
